

Meet your new attendance takers

identiMetrics Attendance Plugins with PowerSchool

Integrates auto-attendance easily & accurately using plugins specifically designed to work with PowerSchool.

Tardy Management Plugin. Your tardy students are processed directly into PowerSchool in the front office. They can then go directly to class. You can even **print your late slips along with the discipline code** you associate with their current total number of tardies. No more long tardy lines and crowded offices. No more manual typing in names. No more parents questioning lateness.

Minute-based Attendance Plugin. Do you need to **calculate the minutes** that each student attends school each day? Look no further! identiMetrics Minute-based Attendance Plugin allows you to automate the recording of your students Daily Attendance Record with BOTH the selected daily attendance code AND the *Clock In/Clock Out* time with a single scan. No more manual entry!

Daily & Meeting Attendance. With real-time **Meeting & Daily Attendance** at the front entrance, homeroom and even in each classroom, students scan, teachers teach and your office staff have accurate and hassle-free attendance. A win-win for everyone!

Options include biometric finger scanner and/or barcode scanner.

Simple. Easy. Secure.

(Your teachers & staff will ❤️ you!)
